Housing

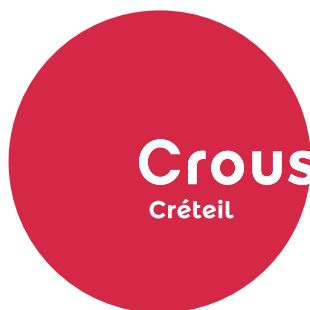

CROUS student residences

If you have requested a room at one of the CROUS residences (the regional student housing organisation), **you will receive an email from the CROUS to confirm your intention to accept the assigned room.**

After confirming, you will need to upload the required documents on the CROUS online platform. These may include:

- ☑ Identification document (passport+ visa)
- ☑ Bank account details
- ☑ Certificate of enrollment at Université Gustave Eiffel
- ☑ House insurance: the home insurance is compulsory in France for any person renting an accommodation. You can get insurance from a bank, for example.
- ☑ Garantie Visale* (or alternative guarantee if applicable): All students under the age of 30 have to subscribe to Rental Guarantee «Visale» (in case of unpaid rent). Visale is free of charge, the subscription is available online and it has to be done when confirming the room assignment.

Once the CROUS receives your payment, you will be able to schedule your check-in appointment through their platform. On the day of your check-in, you will sign your housing contract, receive the keys, and internet access codes. Our office will provide you with a proof of residency edited by the Crous once you have confirmed your attention to book the accomodation.

 **Make sure you have a plan B** in case your flight is delayed and you only arrive after the closing time of the residence!

Please note:

- If any document is missing, you will not be allowed to check in.
- Check-in is not possible on weekends.
- Arriving at the residence without a scheduled appointment will also prevent checking-in.
- In such cases, our office cannot intervene, and you will need to arrange temporary accommodation at your own expense until CROUS confirms your check-in date and time.
- Students can neither choose their room/ roommate nor the residence. Only the CROUS manages the repartition of the rooms.
- You have a delay of 10 days to declare any problem with your room to the CROUS reception desk in Montesquieu building.
- Remember to bring your own bed sheets, towels, and kitchen utensils, as these are not provided by CROUS.
- Neither CROUS nor the the International Relations Office accept parcels.

temporary accomodation

The night before your check-in with Crous you can either stay in Paris or choose from several accommodation options **near the campus**.

There is **one hotel** next to Noisy-Champs RER station:

Ibis – quite a comfortable hotel:
Boulevard Newton, Cité Descartes
77420 Champs-sur-Marne

You can also book a hotel / motel nearby other RER A stations (Bry-sur-Marne, Noisy-le-Grand, Noisiel, Lognes, Torcy...).

Make sure that your mobile phone will have service in France in case of emergency.

The CROUS needs to have received your payment before you arrive. Please consider doing the bank transfer in advance, but not before you get your visa.

other housing options

If you are looking for other housing options, here is a non-exhaustive list of student residences and platforms you can explore:

1. Lokaviz: a CROUS platform offering rooms and studios for rent in private homes throughout France.
2. Studapart: the official housing service of over 150 French schools and universities.
3. Private student residences, such as Appart'Study, Fac Habitat, LOGIFAC, Nexity Studéa, and Résidétape.
4. Intergenerational cohabitation through platforms like Colette Club or Xenia.

You can find more information on our website.

Print your itinerary in order to be sure to have it with you or bring this student book along!

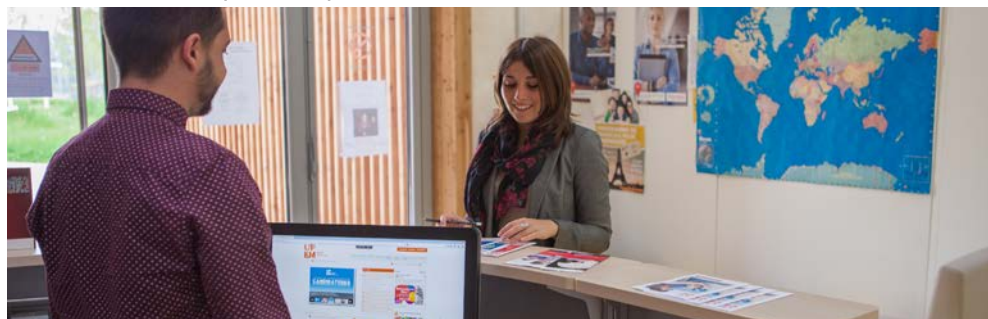

Overestimate rather than underestimate the time it takes to arrive from the airport to the campus!

First week priorities

International Relations Office

(Service des Relations Internationales – SRI)

We will assist you in completing these administrative tasks. We are well aware that they are numerous and quite complex.

Location: MAISON DE L'ÉTUDIANT - BUREAU C01 - RUE DES FRÈRES LUMIÈRE - Champs-sur-Marne

Postal address: SRI - CITE DESCARTES - 5, BD DESCARTES - Champs-sur-Marne - 77454 MARNE-LA-VALLÉE CEDEX 2 - FRANCE

You will receive:

- ☐ Your student card
- ☐ Campus Wi-Fi/online platform access codes
- ☐ (Erasmus:) Signature of the arrival certificate

What you **need to bring** or **subscribe** once in France:

- ☐ Proof of third party liability insurance: this insurance is compulsory in France. You can subscribe to it through most banks.
- ☐ (Outside EU and Quebec:) French Social Security is mandatory but free. The International Relations Office will provide you with the subscription instructions.

bank

Feel free to choose any bank you prefer, but to make your arrival easier, we recommend opening an online bank account.

The documents you need to provide:

- ☐ Proof of enrolment at Université Gustave Eiffel (from the International Relations Office/ student card)
- ☐ ID card or passport copy (if your passport does not mention your city of birth, you will need to provide another document such as your birth certificate)
- ☐ Proof of address (provided by the CROUS/landlord/housing contract)
- ☐ After signing the contract, you will receive a RIB (Relevé d'Identité Bancaire): this document contains your bank account details. It is very useful to have several copies of it, as it is required for paying electricity, mobile phone plan and/or sim card, public transports card, and if you have a job your employer can pay you directly via a bank transfer.

notes:

Remember to deposit/transfer some money to your account before your first bills become due!

shopping for food and other things

You may want to go for some shopping when you arrive, to buy bed linen and sheets for example. Here are the closest supermarkets:

Carrefour:

- Noisy le Grand: one train station after Noisy-Champs, direction Paris; very large supermarket; part of a shopping center 'Les Arcades'
- Champs-sur-Marne: 15–20min walk from campus, or bus 312 Intérieur, 8min. from Noisy-Champs; quite large supermarket
- Torcy: Bay2 Shopping Center (RER A Direction Marne-la-Vallée Chessy; get off at Torcy, 3min. walk)

If you live in Paris, you will easily find many grocery shops just off the street!

Franprix:

Near the campus - Maison de l'Étudiant, a small supermarket

Super-U:

10min. walk from campus, quite large, mostly for buying food. More expensive than Carrefour

Aldi:

10 min. walk from campus, the most affordable option.

When planning your monthly budget, be prepared to cover a variety of additional, one-time expenses during the first month. Please make sure that your bankcard will allow you to withdraw cash in France while waiting for your French bankcard.

electricity

At the CROUS, the electricity **may not be included in your rent**. To open an electricity account, you can either call EDF (Electricité De France) (09.69.32.15.15) or go to their agency at Avron (81-85 Rue d'Avron, 75020 Paris; 9.30-12.30 and 14-18.30, Monday to Friday).

What you need to bring:

- ☐ Passport or identity card
- ☐ RIB (bank account details)
- ☐ Electricity statement and name of the former tenant. If you live in a CROUS residence, this information is written on the État des lieux (check-in form of the CROUS that you received at your arrival).

Université Gustave Eiffel/Campus Numérique

meeting the administrative officer of your study program

They will give you the timetable of the classes you are taking, help you find your way to the classrooms etc. They will also help you to complete your course enrolment sheet.

course enrolment sheet

Once you have chosen your classes, you will need to formally enroll. Your administrative officer will help you to complete the document but you need your academic coordinator to sign it. More information will be provided by the International Relations Office.

MESR/PictureTank

studying at Université Gustave Eiffel

Other procedures and services

French classes

Français Langue Étrangère (FLE - French as a foreign language): [You can enroll for free French classes](#), which are worth 3 ECTS per semester.

There are four groups of different levels. The course takes place once a week for 3 hours. A test will be organized at the beginning of the semester to form the groups.

[For more information regarding hours and enrolment, please come to the International Relations Office.](#)

notes:
